

POLARIS 1120

Polaris 1120 SAE 20W-50 is a high-performance synthetic base passenger car motor oil formulated from the latest additive technology and carefully selected Synthetic\mineral base stocks. **Polaris 1120** SAE 20W-50 has been especially developed for all gasoline-, diesel- and LPG fuelled engines of passenger cars and light commercial vehicles. It has been designed to exceed the requirements of the Original Equipment Manufacturers' (OEM's) service fill specifications and has very good thermo-oxidative stability, effectively preventing the formation of sludge and deposits, resulting in a prolonged engine life.

Polaris 1120 SAE 20W50 is recommended for all modern vehicles, including high performance, turbo-charged, multi valve, direct injected gasoline-, diesel- and LPG fuelled engines of passenger cars and light commercial vehicles. It exceeds the requirements of most modern European, North American and Japanese car manufacturers.

Specifications met: API SN/CF, Ford WSS-M2C945-A/946-A, Chrysler MS 6395 and Honda,Hyundai,Kia and Mazda requirements.

Typical Properties

	20W50
Specific Gravity at 15deg C	0.891
Kin. Viscosity at 40 degC, cSt	150.0
Kin. Viscosity at 100 degC, cSt	17.0
Viscosity Index	120
Pour Point, deg C	-21
Flash Point, deg C	215
P.Code	2020

Color Varies from Country to Country. Properties mentioned above are typical only and minor variations, which do not affect the product performances are to be expected in normal manufacturing. Advice and opinion noted herein are given in good faith and on the basis of the best information available, information is based on past history of the grade only and must not be construed as a guarantee of performance nor any legal liability is accepted by Tesla Corporation or any of its affiliates. Follow equipment manufacturer's recommendations for performance level and viscosity grade.
